The Pen Recycling Program

Campbell Smith
DSDN 221: PJ2B

Student discovers an ad for the pen recycling program

Student takes their pens to the recyling spot, and takes them apart

Student drops off their empty inks, for new ones

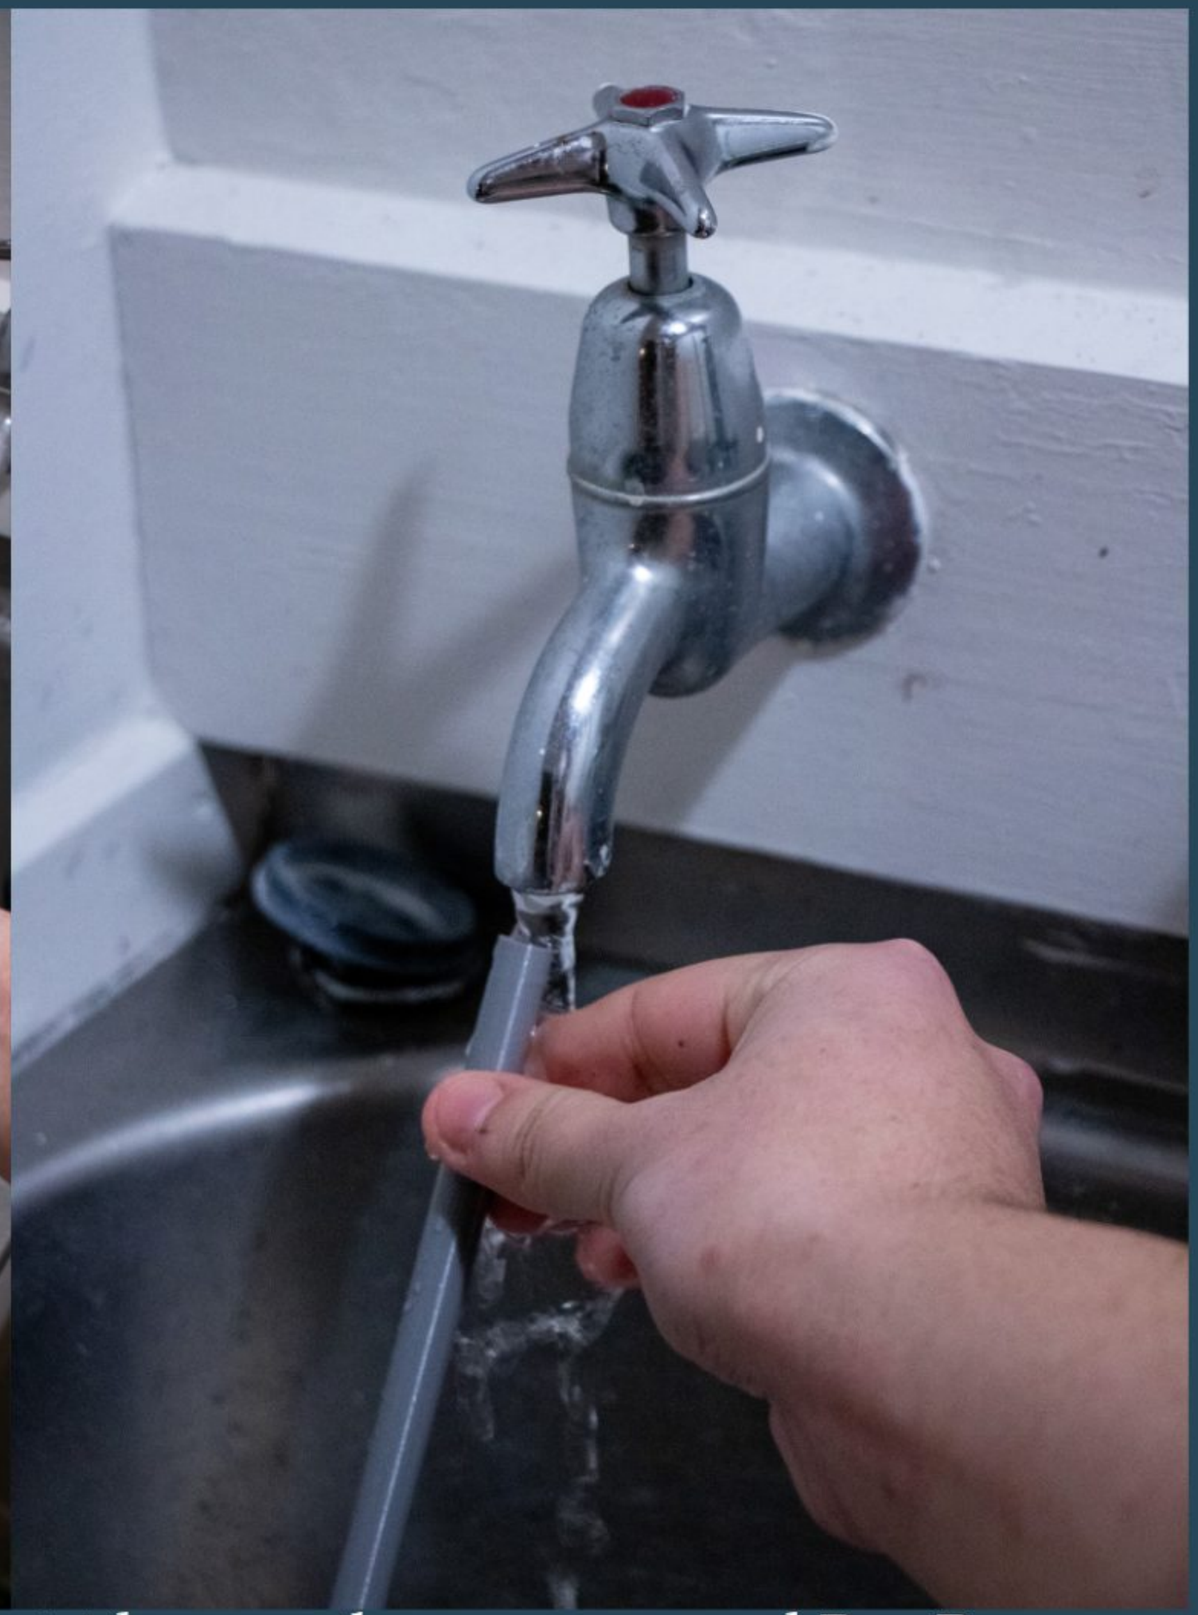

Student Uses the new Cartridge in the old pen untill it runs out.

The old ink cartridges are collected

They are taken apart and washed, Plastic Cartridges are thrown away, and Pen Recycling Cartridges are kept

The PRC are filled with new ink and delivered to the pick up
